Through the Halls With Lil Jeff

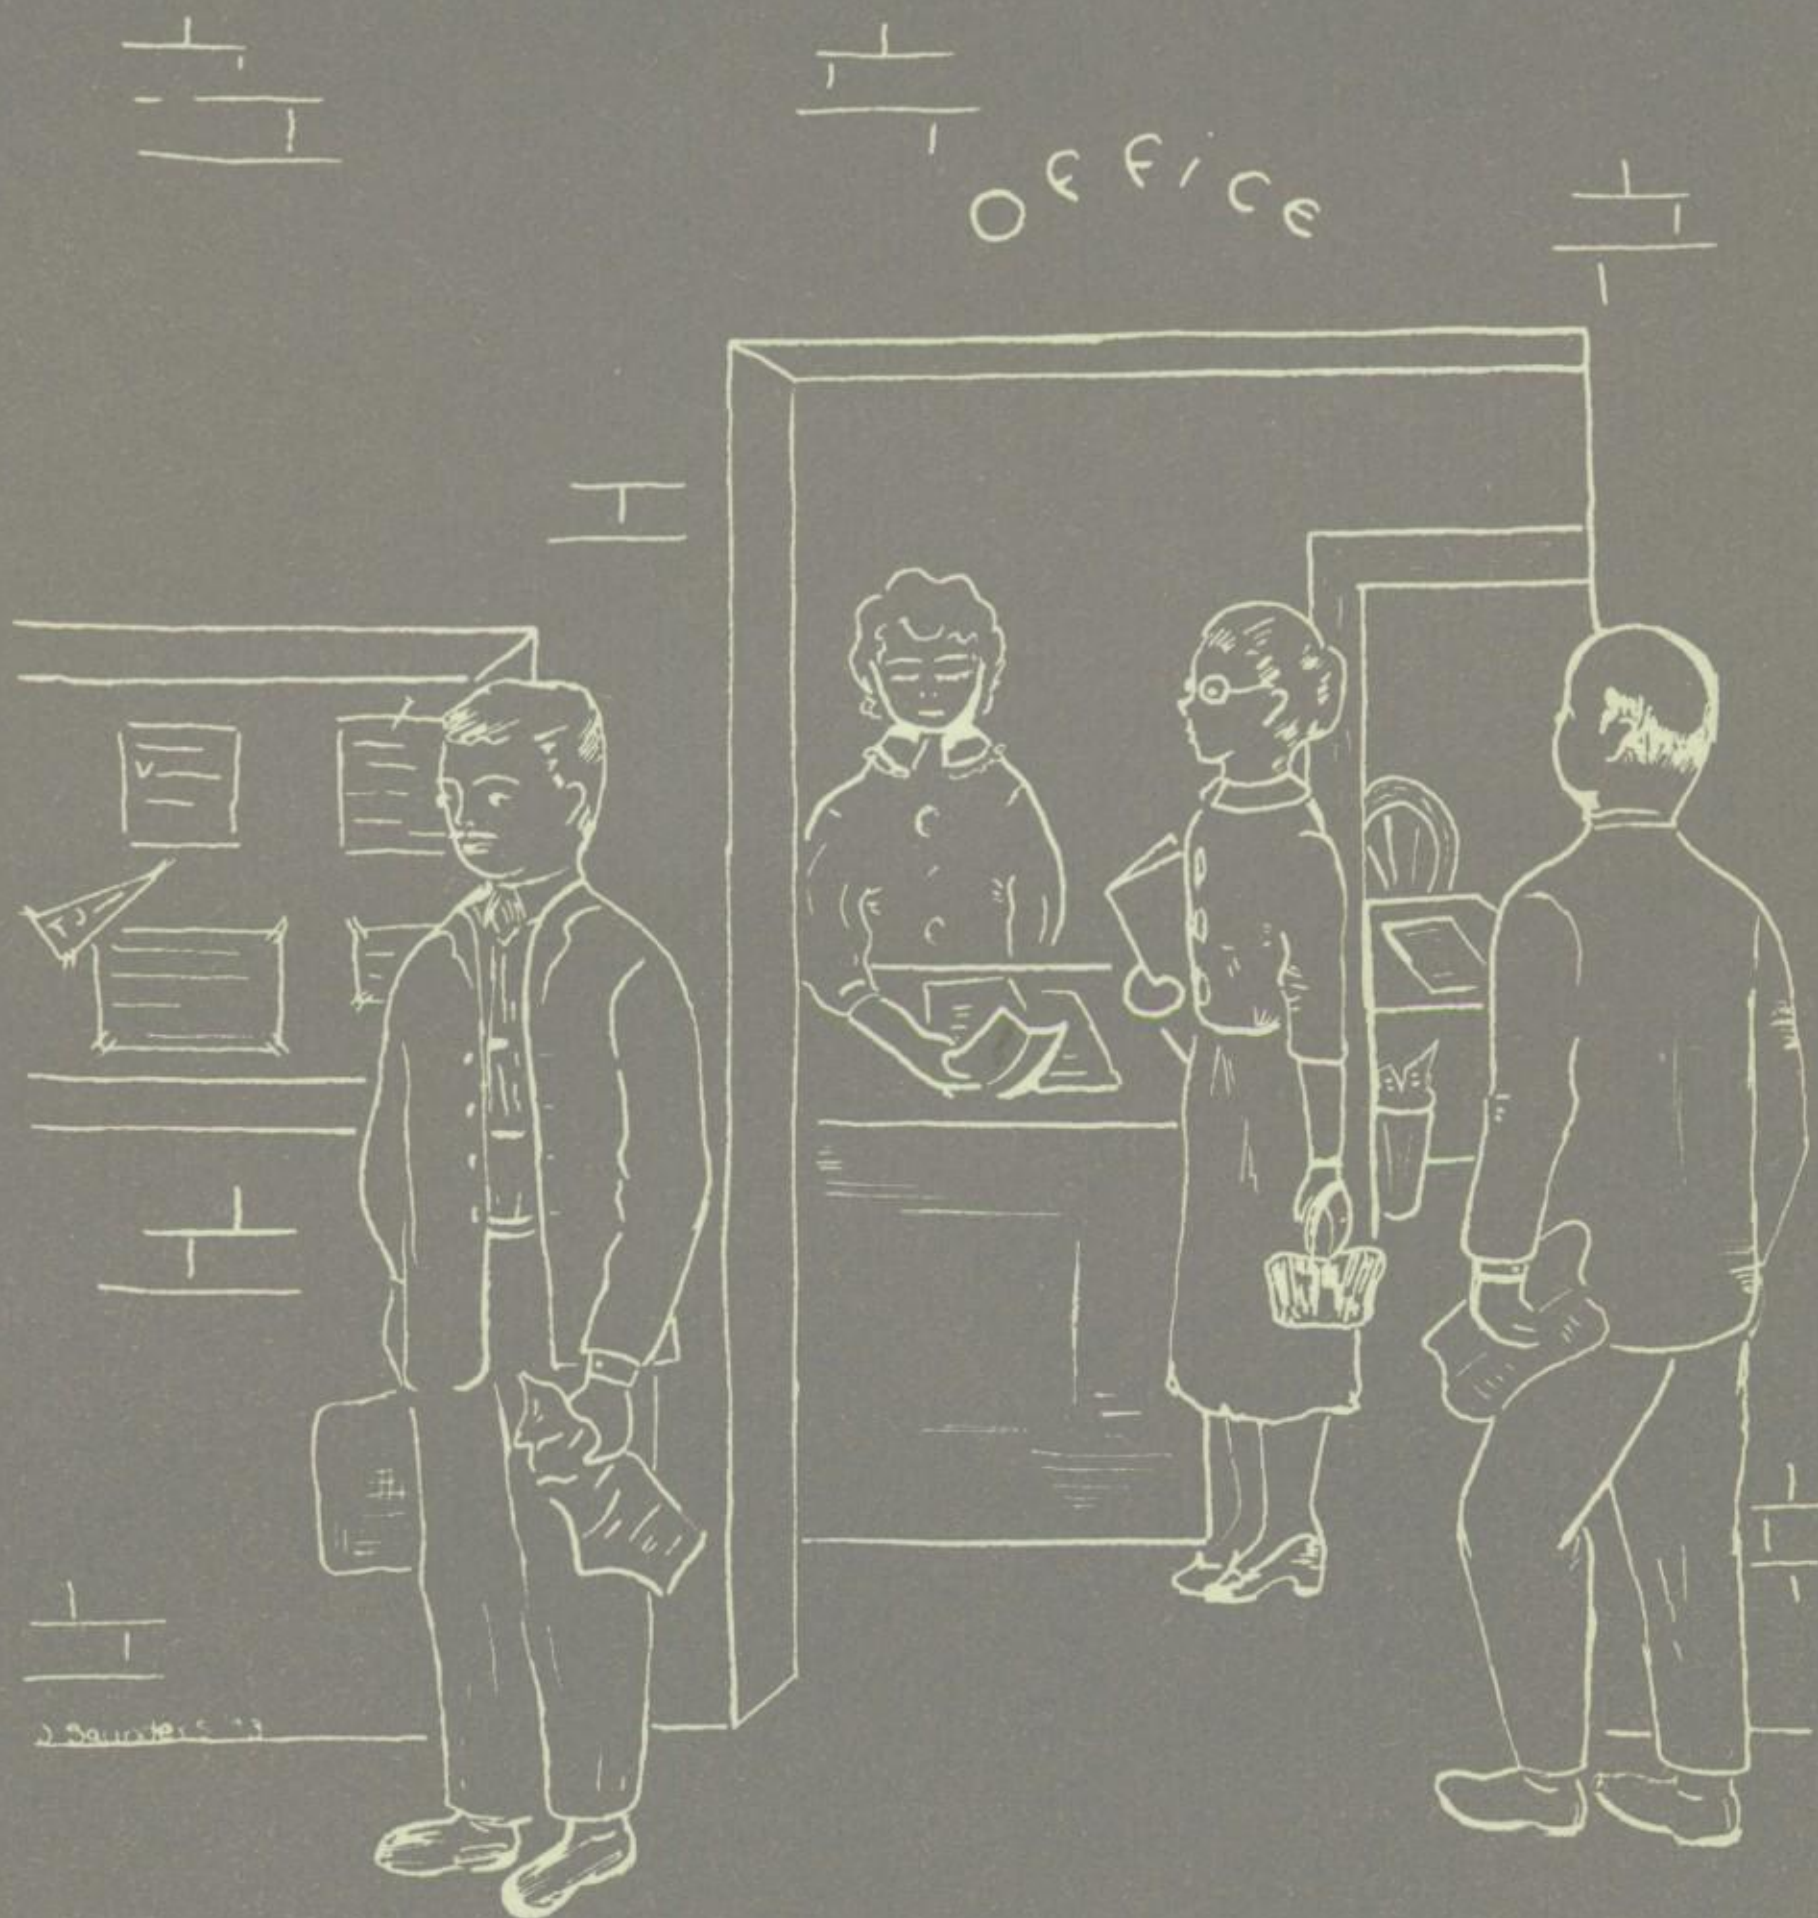

As the events of the year at Tee Jay unfold, we hope the reader will be able to follow our story through this yearbook, even as the students pass through the halls of our school. As a guide along the confusing corridors that lead from music to biology, from math to English literature, we have asked Li'l Jeff, the Spirit of Tee Jay High, to show us the way. Li'l Jeff, first sponsored by the Jeffersonian, is a friend of everyone at Tee Jay. He greets us from our book covers, cheers us on at sports events, advises us to uphold the traditions and high ideals of Thomas Jefferson by appearing on posters and in a column of our newspaper. Surely, no other figure could guide us so well as Li'l Jeff.

In Classroom and "Lab"

Symbolizing our warm feeling for our school life and the high ideals which we strive to uphold is Li'l Jeff, the spirit of Tee Jay. This spirit enlivens our more serious moments as each year, through the determined efforts of the staff, we benefit from the diversified opportunities offered in the various departments. For instance, the English department is stressing the appreciation of modern plays and the introduction of new speech activities in the classes. Through Miss Gary's untiring effort, many of us have been aided in the reading skills by the remedial reading classes.

The art department strives to coordinate the work of the art classes with that of other classes, and through various museum visits and lectures, we have gained inspiration and learned a great deal in the field of art.

This year in the government classes many of us have obtained valuable information by attending the bi-monthly City Council meetings. Early in the year the social studies department sponsored a guest speaker, Dr. Fabry from Austria, who spoke on Communism to the entire school. The economics classes during the year have had speakers from

banks, brokerage concerns, department stores, insurance companies, and various other business organizations.

In the science department there have been many worthwhile accomplishments. In the fall of 1952 about fifty-two per cent of us were enrolled in the science department. In the physics contest for seniors, sponsored by William and Mary College, Tee Jay seniors have won first place more often than any other state high school. Mr. Jarman, head of the science department, states that there has never been an outstanding Tee Jay science student financially unable to attend college who has not been aided by the department, which obtains the scholarship funds from various scientific societies.

We as Tee Jay students have benefited in many ways by the attendance of our teachers at conferences and workshops designed to help "math" teachers.

Profitable and interesting experiences are open to us in the departments of language, homemaking, mechanical drawing, music, and physical education. Thus we may obtain the best possible preparation for successful and happy lives.

Tee Jay's chilly tower, room 408, hums with activity every third period as the Senate, the executive body of the school, meets to transact its business. This group of twenty-one includes the officers of the Student Participation Association, the presidents of the classes, and the class Senators. Each Tuesday sees the Senators industriously at work in their weekly business meeting when the many questions vital to the welfare of the school and its students are discussed and voted upon. On other days the Senators, each in charge of a separate committee, plan S. P. activities. Welcoming suggestions from the student body at all times,

Strictly Senatorial Affairs

the Senate, guided by Miss La Rue Brandenburg and Mrs. Katherine Brumble, tries to solve the students' problems whenever possible. One of the Senate's many activities is participation in the City Federation of student councils, which has a timely program each month. Another activity is the S. P. election held each spring, in which S. P. officers, Senators, and class officers are elected with all the professional political trimmings, speeches, publicity stunts, and campaign posters and slogans. Above all, however, this indispensable organization tries to coordinate the student body and all the administration.

Real Representation

School spirit and loyalty characterize the sixty members of the House of Representatives, who are elected each term by the homerooms. The sole purpose and duty of this organization is to voice the opinion of the student body; for through the House member each individual can influence the government of his school. Meeting every first and third Monday, this group has worked constantly for the betterment of the school under the leadership of Pat White, president; Mary Ann Vandervoort, secretary; Katherine Christian, City Federation member; and Bobby Butler, sergeant-at-arms, often rendering important and influential decisions. Activities of the year have included the annual Senate-House outing, a request to

City Council to keep the Lafayette bus line in operation, and the sale of football tickets. The members of the House gain invaluable training for future citizenship as they learn the functioning of democratic government and parliamentary procedure. This interest of Tee Jay students in the successful operation of the school has done much to promote good understanding between the faculty and students of the school. All of these achievements are a source of satisfaction and of real pride, not only to each student representative in the House, but to the students whom he represents.

Class and Club Coordinators

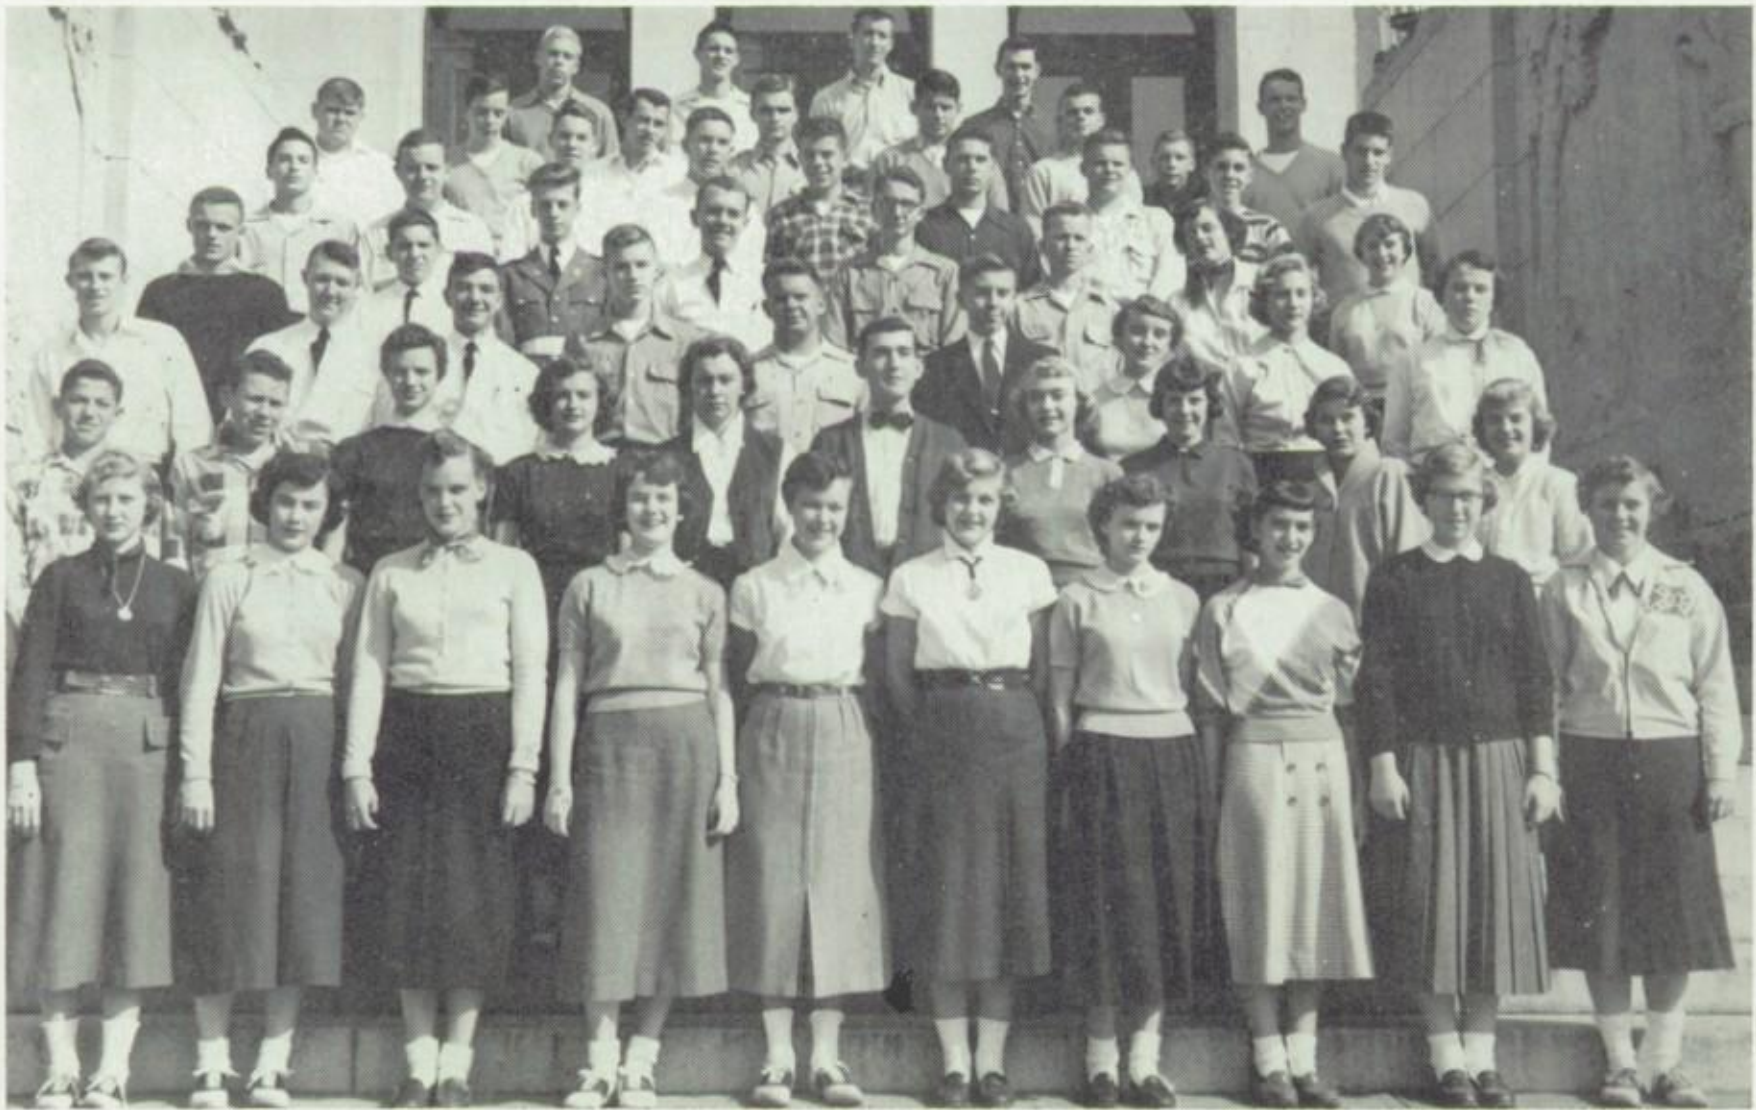

Representatives and sponsors of all extra-curricular organizations, such as school publications, music groups, athletics, and clubs, work together for the good of the whole school through the B. O. C. The Board asks its members to bring the dates for events they want to sponsor. The B. O. C. then draws up the annual school calendar of events for the term so that dates for the club meetings, sports events, dances, plays, and other activities do not conflict. The Board of Coordination, sponsored by Miss La Rue Brandenburg, meets every second Tuesday of each month. The president of the Student Participation Association is chairman of this board.

"Prexy's" Problems Solved

The Council of Homeroom Presidents meets once a month at homeroom period to consider the problems that arise in homeroom organizations and to inform the individual student about the functions of the Student Participation. The Council is presided over by the President of the Senate and is sponsored by Miss La Rue Brandenburg. This group has proved itself to be a great unifying force in the school, thus establishing an important place for itself among the groups in Tee Jay.

Character Builders

Composed of one member from each homeroom, the character committee meets once a month to plan its programs, which are presented in the homerooms. A steering committee composed of five members of the group with Miss Elizabeth Beaman, sponsor, and Ranny Church, Senate chairman, organizes these programs with an eye always on the high ideals expressed in the school pledge and with the aim of promoting school spirit. Finally various phases of school spirit and all that it entails are thoroughly discussed in the homerooms.

Bandages, Books, and Boxes

Reminding us constantly of our duty to those less fortunate than we, the Junior Red Cross Council has had an unusually impressive year's work. The contributions for the annual drive in November were exceptionally generous. The November assembly program included a skit by Sue Muhlfeld with lighting effects and curtains. When Thanksgiving rolled around, gaily decorated baskets filled with canned goods played an important part in the annual Thanksgiving program. Mary Evans Bristow was Senate chairman, while Mrs. Lucille King was adviser.

Future Librarians

Any visitor to our library observes several students busily checking out books, filing cards, stamping library permits, or shelving books. These students, who volunteer for one period of library work daily, hold staff meetings on the third Friday of each month during homeroom period under the leadership of Dagmar Halmagyi, president; Martha Brewster, vice-president; and Carol Freeman, secretary. In working on the staff, a student not only aids the school but also gains valuable experience towards a possible future vocation as librarian.

Pass Checkers

The members of the Library Committee are students who assist in the library during their study and homeroom periods. Their duty is to check the time on the passes of students entering and leaving the library. These students do their job efficiently, and their work is a great asset to the library. The committee consists of twenty-eight members and is under the sponsorship of Miss Clyde G. Carter and Miss Martha L. Savage, school librarians. Only quiet, considerate, and responsible students are selected to serve on this committee.

Helping Hands

Receiving all visitors to Tee Jay's Guidance office, the Guidance Aid Committee performs an invaluable service for the school. Each period several students work, answering telephone calls, looking for the students' program cards, and running errands for the busy counselors. Besides rendering their numerous and indispensable services the members of this committee also gain practical knowledge and experience in the office routine. They act as receptionists, rendering friendly help to visitors.

Traffic Trouble Shooters

All through our halls you can see the boys of the traffic committee, directing traffic to promote safety on the steps and in the halls. Three weekly shifts of twenty-five boys compose our "Tee Jay traffic cops." The senate chairmen are Wyatt Beazley, Tommy Lansinger, and Charles Gurkin, and Mr. Clyde B. Fortna sponsors them. Nine rovers go from post to post checking the boys on duty at their appointed places each day.

Two girls work in the office each period, acting as assistants to the school secretaries. During their study periods they serve our school by running errands, welcoming visitors, carrying absentee sheets, and distributing the mail. The experience they gain will be invaluable to them should they later choose a career in office work.

Right-hand Men and Women

A new committee, composed of boys only, has been formed to aid Mr. Smith, the athletic director, in the office. One boy is on duty each period. His job is to carry notes, help teachers with odd jobs, and run errands. These students perform a real service for our school and often apparently receive little recognition for their efforts.

To earn money for the S. P., bus tickets are sold before school on Tuesdays and Thursdays and on Monday and Wednesday afternoons. This committee, which trains students in handling money, also gives them a sense of responsibility. Senator Jack Collins and Miss Brandenburg supervise the morning shift while Miss Sanford and Suzanne Glenn head the afternoon shift.

Ticket Sellers—Elevator Operators

Many small committees with important tasks make up this indispensable group. It includes the Milk Bar Committee, the Elevator Committee, and the S. P. typists, who enable the S. P. to function efficiently. In addition many members become experienced in committee work by substituting for the absent workers on other committees.

Absentee Checkers

Both the Daily Report and the Absentee Committees, which are sponsored by the Student Participation Association, give great service to our homerooms and the office. At the first period each day the daily attendance reports are collected from the homerooms and taken to the office by the members of the Daily Report Committee. At the third period the members of the Absentee Sheet Committee distribute the list of absent students to each teacher and administrator. These committee members work during their study periods in shifts. They not only offer a very valuable service to our school but they also learn to be prompt and efficient workers.

"Sorcerers' Apprentices"

The laboratory assistants are a great help to our science department. Their job is to aid the science teachers each period, keep the laboratory materials in order, run errands, and help students who are behind in their work. The boy who opens your drawer in chemistry "lab," the girl who brings your specimen in biology, the boy who gives you your microscope and helps you adjust it, these are the "lab" assistants. These students devote one period each day to laboratory work. Although they do not alternate by shifts, they really enjoy their work and still find time to study. They always find some joke to laugh about, particularly the mistakes of the struggling scientists of tomorrow.

Guiding the flow of people into the auditorium are the busy members of the Usher Committee, stationed at doors and aisles to prevent confusion. In addition to their work as traffic directors, they also distribute programs, maintain order, and prevent late-comers from entering the assemblies.

Seaters and Greeters

The friendly smiles and helpful services of the Reception Desk Committee make visitors to Tee Jay feel welcome. Besides extending hospitality to visitors, the committee assumes a few other general responsibilities about the halls. Those serving on this committee sit at the desk in the front hall, rotating every third week during their study period.

At the first period on Mondays, Wednesdays, and Fridays members of this enterprising crew collect the erasers from each classroom, cleaning and returning them before the end of the period.

Film Strips, Chalk Dust

Eighteen boys and two girls served on the Audio-Visual Committee this year. Headed by Mr. George Butler, these students showed films and film strips, besides operating victrolas and tape recording machines. When the new and better audio-visual equipment came in, they worked hard learning to use this equipment for the benefit of the school.

Couriers and Decorators

All those gay posters announcing the latest dance and the newspaper clippings featuring Jeffs and their teachers which have adorned our halls this year were due to the efforts of the lively news-hunters of the Bulletin Board Committee. Probing daily into newspapers, they managed to keep us aware of coming events.

They perform what they believe to be a valuable service to the school.

Checks and Checkers

Perhaps these commercial students are visiting a large Richmond office; perhaps a business man is explaining some phase of his work to this attentive audience. Musicians, Manly and Maidenly

The main purpose of the Jeff Clef Club is to stimulate and maintain among students a greater appreciation and understanding of music. The group, sponsored by Mr. Howell, holds semimonthly meetings. Made up of advanced voice students, the Thomas Jefferson A Capella Choir meets every day at the fourth period in 218, under the direction of Mr. Alton Howell. This year the choir presented several assemblies, foremost of which were the Christmas and Easter Choral Concerts. They sang for the Community Fund luncheon honoring Tee Jay, appeared on WTVR for a fifteen minute Christmas program, and in May presented the musical comedy "Brigadoon" and the Spring Concert with the orchestra and band. From the choir a madrigal group and a male quartet were formed. The quartet sang for a Kiwanis Club luncheon and the madrigal group for a Musician's Club program.

Trilling Trebles

The Girls' Glee Club of Thomas Jefferson is an organization whose aim is to provide the school with enjoyable musical programs. The regular meetings are held on Fridays, and officers are elected each term. For the third period first semester of this year, Kitty Lunsford was president; Mary Faith West, vice-president; and Margie Duke, secretary-treasurer. Section leaders were elected as well as librarians. Merle Spracher, Kay Alderman, and Kathleen Hicks were the section leaders, and Kathleen Frazer and Janice Gregory were the librarians. Melody and Madness

The roar of a drum and the blast of a trumpet occasionally off key float into the halls; the practice session of the Thomas Jefferson orchestra is under way. The orchestra under the direction of Mr. Frank Wendt, participates in many community activities, such as the annual Virginia State String Clinic and the All-State Band. In May the orchestra joins the school choir in presenting the traditional Spring Concert. From the proceeds funds are obtained for equipment, music education trips and amusements. Each term officers are elected, who transact business and, in case of Mr. Wendt's absence, take charge of practice sessions.

Virgilium Vincimus

Anyone passing room 107 on Monday morning is astounded at the odd noises coming from the room. To a student in Latin 5 or 6, it means that the Latin Club is having one of its meetings in which scholars are participating in strange and interesting games. The members of the club with its consul, Helen Stone, meeting the first period of alternate Mondays, under the direction of Miss Gray, all agree that they truly enjoy advanced Latin and the projects and activities that it provides. The projects this year have included setting up a Roman banquet, writing articles for the Declaration, and participating in an outing and holding various parties throughout the year. Several of the members have won state-wide recognition in competitive Latin tournaments, and the group has participated whole-heartedly in this year's events.

Daring Debaters

Whether they are debating the coming election, listening to a city councilman explain his work, or discussing a current question, members of the Forum find that learning about the past, present, and future of America can be fun. In addition to holding their regular meetings, these historically-minded students carried out their theme, "Government in Action," by sponsoring a straw vote on November 4, conducting an assembly program devoted to the presidential campaign, in true political style, and traveling to Washington in the spring. Sponsored by Mrs. A. A. Marks and Miss Katherine M. Davis, the group profited a great deal from the study of governmental affairs both here and abroad.

"A Book of Verse and Thou----"

Book characters actually come to life in 206 when the Book Club holds its meeting on the second Tuesday of each month. Under the sponsorship of Miss Esther Singleton the members of the club present literary talks by noted speakers, interesting book reviews, enjoyable dramatic skits and movies and let the magic carpet of literature carry them off into lands of adventure and romance. The book reviews in the Declaration and the exhibits in the display case outside the library are both projects of the club. To promote an interest in books and to advance the literary education of the members is their aim.

Service with a Smile

The Y-Teens of Tee Jay have just completed a most successful year under the sponsorship of Miss Laura Humphries, the faculty adviser. The officers were Beverly Pleasants, president; Dorothy Rice, vice-president; Becky Branch, secretary; Martha Brewbaker, treasurer; Ebie Breeden, program chairman; and Sally Penick, worship chairman. Beck Branch and Ebie Breeden represented the club at the Summer Y-Teen Conference at Camp Illahee in Brevard, North Carolina, last August 22-29. The Tee Jay Y-Teens are under the directorship of Mrs. Anita Booker, Teenage Director of the Richmond Y.W.C.A. The club is open to girls of all faiths—a group devoted to the task of realizing our common goal in life, and a club for fun and fellowship.

Virginia Gentlemen

The Key Club, which is composed of boys in the sophomore, junior, and senior classes, is sponsored by the International Kiwanis Club. Nominations for membership are submitted by the various classes and are based on the student's scholastic standing, ability to lead, and character. In its six years of existence, the Key Club has been striving to live up to its standards, which are to develop initiative and leadership, to serve the school, and to provide experience in living and working together. This year, aided by the Cadet Corps, the Key Club has helped to maintain order in the "Rec" Hall at recess.

Society and Citizenship

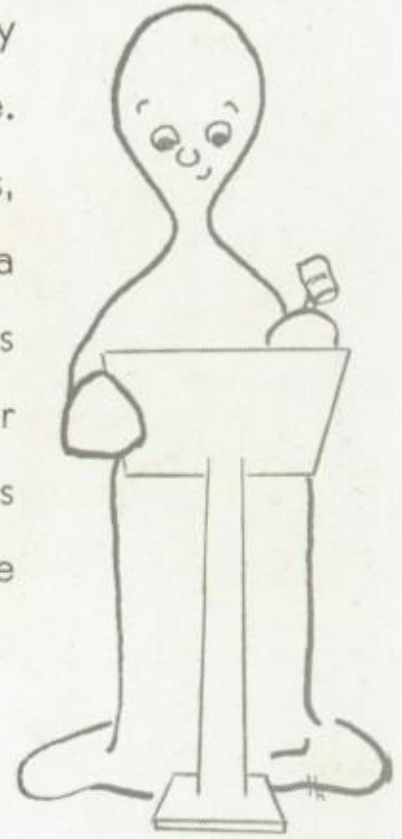

Tee Jay boys who are members of either Hi-Y I or Hi-Y II are a part of the great, nation-wide organization, the Y.M.C.A. The main purpose of the Hi-Y is to create, maintain, and extend throughout the school and the community high standards of Christian character and to make a school a better place for clean living and honesty. Both Hi-Y Clubs at Tee Jay take over certain responsibilities to their fellow students and their school. An annual money raising project is the selling of programs at all Tee Jay's home football games and the selling of drinks at the home basketball games. At lunch time the members take over duties in the

Both clubs meet weekly, each on a different night, for their programs, which consist of a business meeting, an address by a guest speaker, a movie, or some other activity. In Hi-Y Chapter I this year the officers have been Joe Eanes, president; Buck Herbert, vice-president; Roger Lawrence, secretary; and Jack Collins, treasurer. Concentrating Creators

Amid beaming smiles or agonized moans from Literary Staff members this Monticello is born. New members are initiated into the mysteries of annual planning as patient section editors explain just exactly what is to be done. "Little Jeff" emerges the winner in the heated debate over the theme, and the art staff goes busily to work on division pages and other art work. Throughout all the confusion, however, Miss Grace Rowe, adviser, and Beverly Pleasants, editor-in-chief, manage to keep the work moving forward even at the most trying times. Often laughter brightens the toil as an hilarious picture or a piece of copy that says something quite different from the original intent is found or the staff members

relax at a party. Always before them, however, is the ultimate goal of bringing to the student body an accurate record of the current year at school. Thus the individual Jeff can find his teachers in the Faculty Section, himself among his classmates, his activities recorded in the Organization Section, his cadet corps in the Military Section, his own snapshot perhaps in the Feature Section, and his fondest memories and recollections on every page. At the spring banquet as each member receives his advance copy of the new Monticello, he feels that his time has been well spent in making it possible.

Fagged-out Financiers

The rustle of bills and the rattle of coins are sounds that emerge from room 107 each Friday during fourth period as the financing crew of the "Monticello" meet to turn in their week's collection from "ads" and subscriptions. Under the direction of Miss Frances Gray, business adviser, members are told the fine points of "ad" or annual selling or commanded in response to a tale of woe about a hard-hearted prospective advertiser, "Go back and try again." Supervising the staff and organizing its work are a business manager, two assistants, a senior picture manager, a junior

picture manager, a manager of organization pictures, and a head photographer. Other staff members solicit "ads" during the year and sell subscriptions during the special drive in the fall. The reward for faithful service is recommendations for membership in Quill and Scroll given to eligible juniors and seniors. Highlighting the year is the spring banquet given by both "Monticello" staffs. Here new members are welcomed, new officers are announced, and old members find their reward for a year's hard work.

Hard-working News Hounds

"Deadline's in thirty minutes! Send a head on every story. Now hustle!" No Simon Legree is cracking his whip. It's just the literary staff of the Jeffersonian in those last mad moments of getting Tee Jay's newspaper to the printer. Through all this terrific scramble Miss Juanita Tiller, adviser of the staff, is the only composed person in the room. Staff photographers, typists, reporters, and editors, guided by Miss Tiller, see that the paper presents to the student body such projects as the promotion of school spirit and better behavior in assemblies. To inform the reader of events and personalities of interest, to influence readers' attitudes and opinions, and to secure training in all phases of high school newspaper work are the purposes of the staff. The only qualification for membership is a real interest in journalism and a will to work.

Under the supervision of Miss Thelma Bryant, 96 students work tirelessly to promote the business end of the Jeffersonian. The Circulation Staff, which handles all duties pertaining to subscriptions, is divided into three groups: fifteen captains, fifty-eight homeroom lieutenants, and the managers. Each homeroom has a lieutenant as does each cadet company. At the beginning of each semester the Circulation Staff promotes a drive for term subscriptions of seven issues for sixty cents. The lieutenants collect money from the members of their rooms every week. Each captain has charge of four homerooms and collects from the lieutenants every Tuesday and on the Friday when the paper is not distributed. The staff

The manager and assistant managers make up the layout for the dummy and give out assignments. The copy writers draw up new copy, and the solicitors obtain advertisements from local business concerns. Annually the staff sponsors a "Name the Ads" contest drawing student attention to the advertising. In 1947 the Jeffersonian Advertising Staff was approved by the Retail Merchants' Association enabling it to secure advertisements from leading Richmond corporations. In the past several years the staff has won high recognition

Leading Lads and Lassies

To solemn strains of music, stately red-robed figures move swiftly up and down aisles, lightly tapping the shoulders of those seniors fortunate enough to meet the high requirements of the National Honor Society. These students must have promoted school activities and influenced others for good with their high scholastic average and outstanding leadership. Organized in 1936, this honorary society is not run as a club or fraternity, since it neither elects officers or holds meetings. Because of its nationwide recognition, membership in the National Honor Society is a fitting reward for outstanding leadership and scholarship. Ask any senior. It's his greatest honor.

Journalistic Spotlight

Young journalists who complete at least a year of outstanding work, attain at least a B average in their subjects, and receive recommendations from their publication adviser compose the Quill and Scroll. By a solemn candle lighting service the aims of the Quill and Scroll—truth, loyalty, enlightenment, opportunity, initiative, leadership, and friendship—are impressed on each initiate. Several members of the group attended the First Annual Virginia High School Forum this year, becoming more internationally-minded through their contact with students from thirty nations. Our chapter of this international honor society for high school journalists, sponsored by Miss Mary Maddox and Miss Frances Gray, promotes the highest ideals in journalism.

CADET CORPS ACTIVITIES

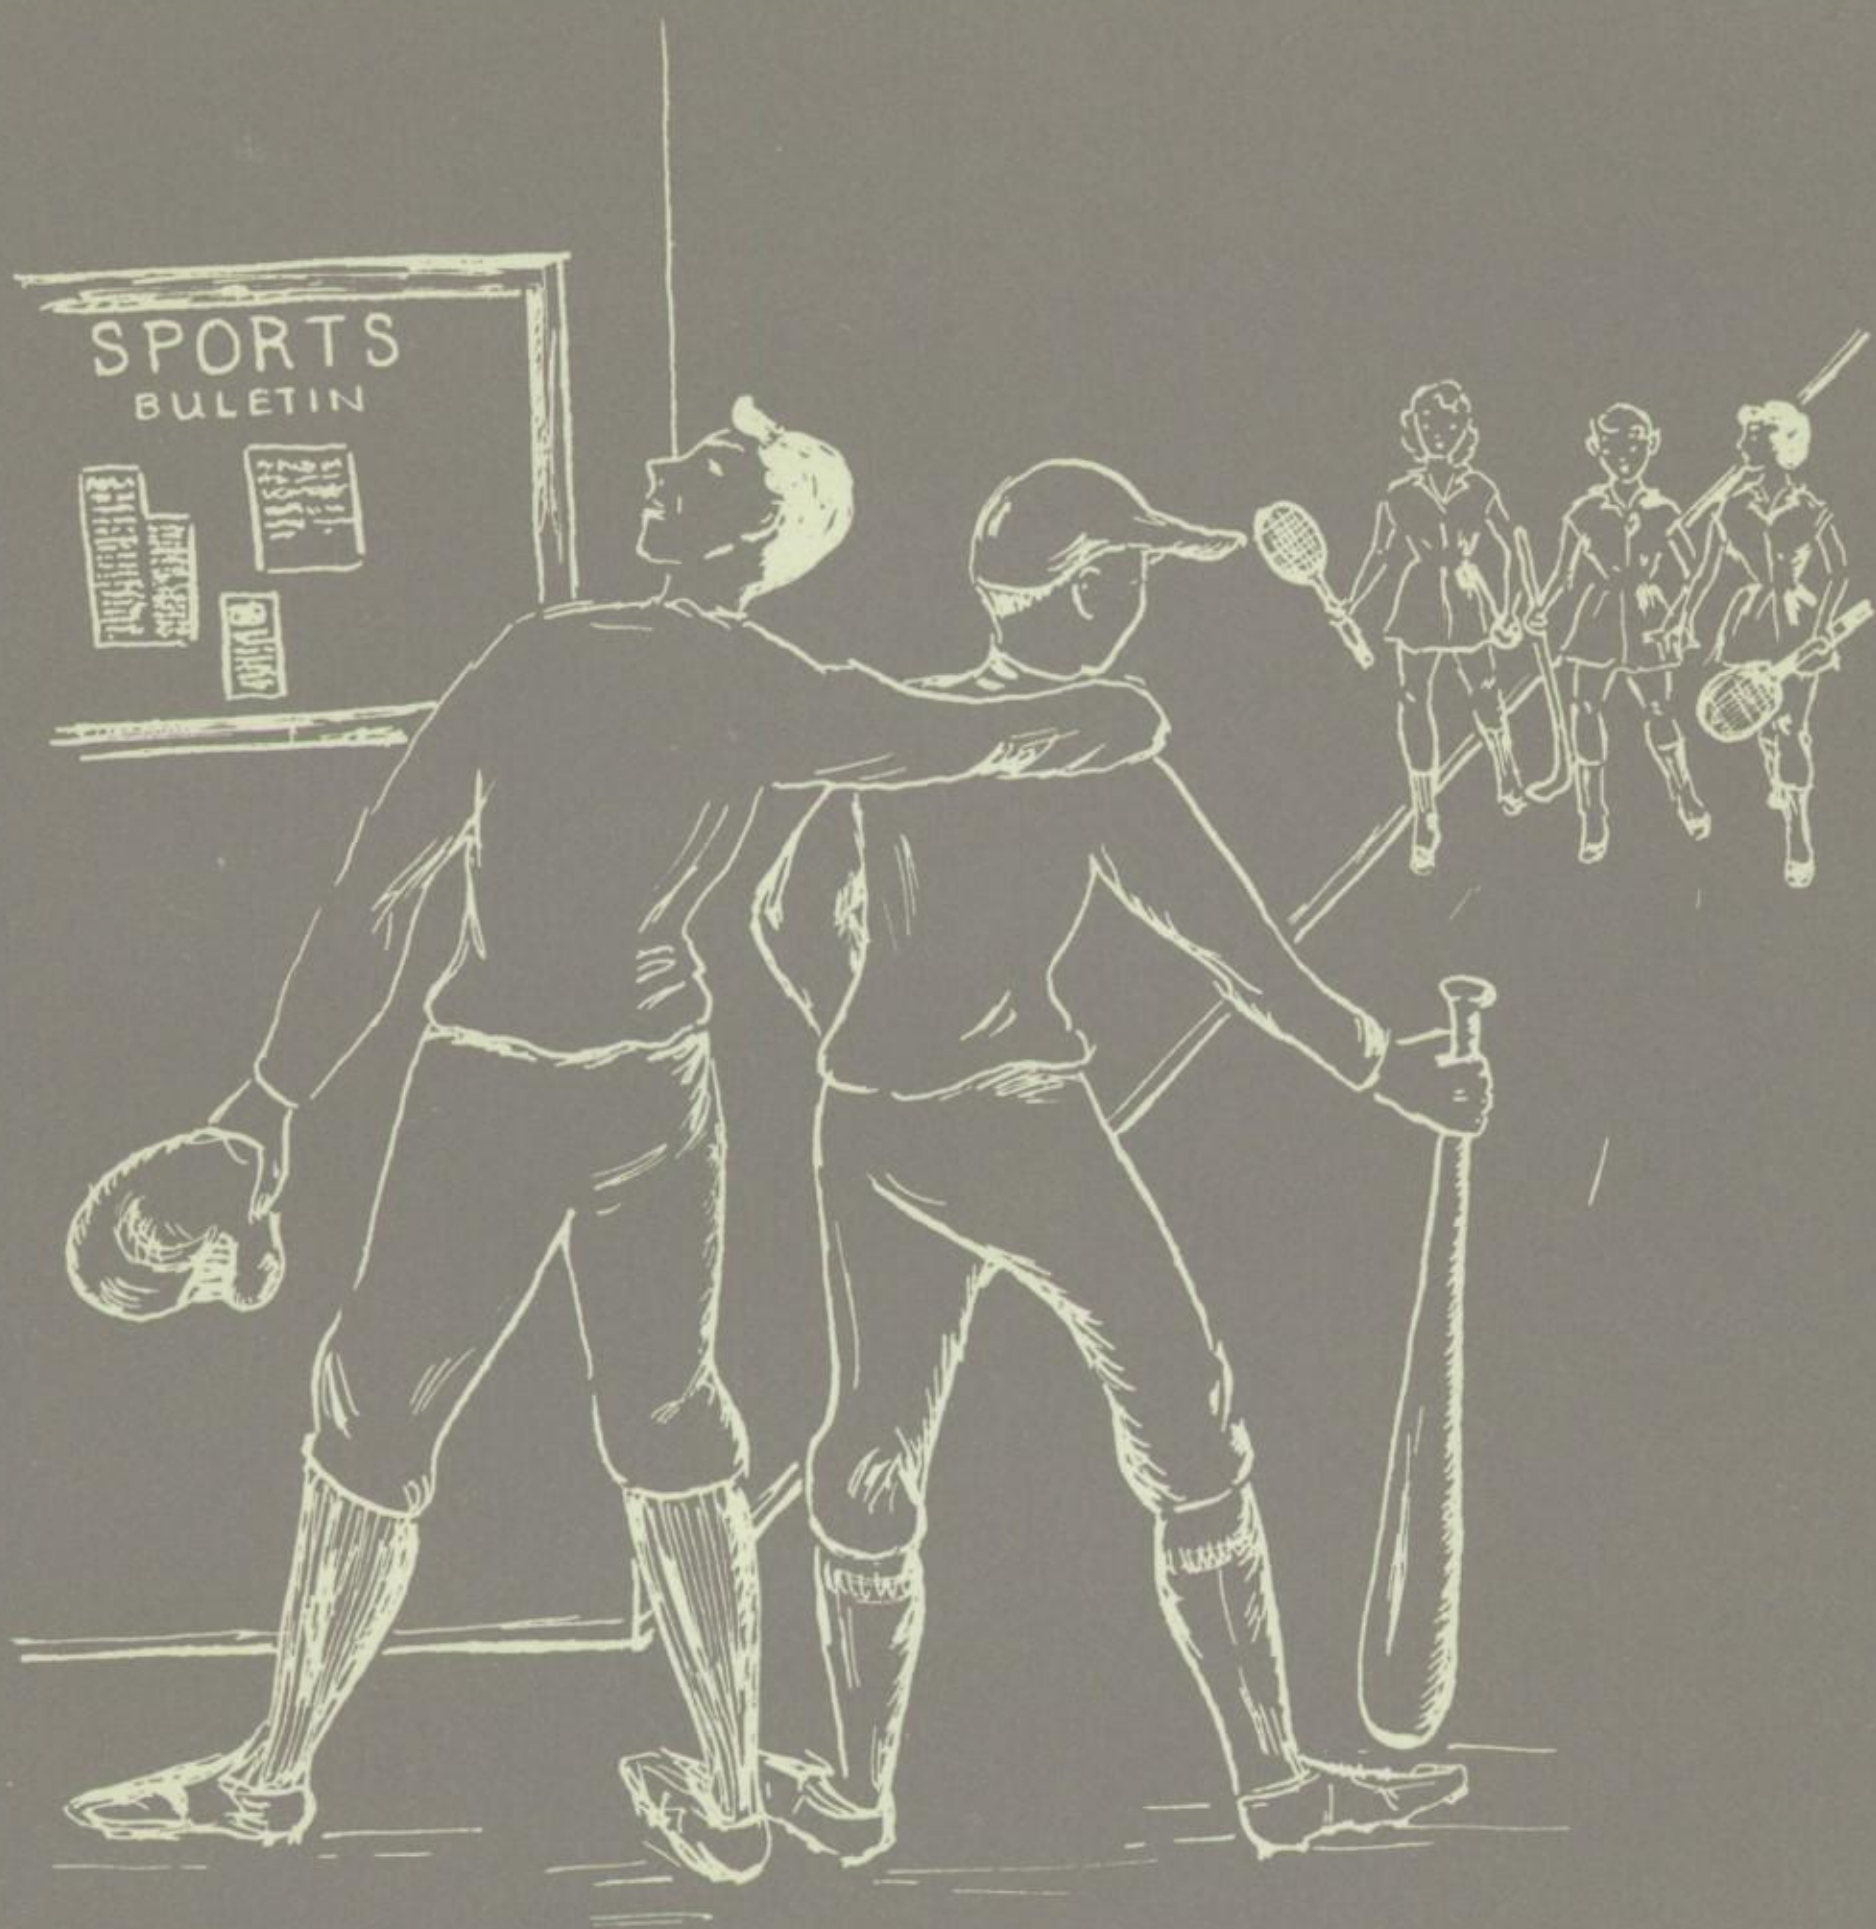

During its Tenth Anniversary Year the Tee Jay Cadet Corps diminished slightly in numbers but increased greatly in quality. Drill platoons, a rifle team, and a combat team were organized; and the cadets were instructed by U. S. Marines with movies and demonstrations in military tactics.

The fall term activities began with the hectic Tobacco Festival Parade, followed closely by Sponsors' Day. In November the cadets and their dates had a gala evening at the semi-annual Cadet Hop. After Christmas, with preparations at a faster pace, the term's activities were culminated with the all-important Competitive Drill.

As a new term started, with new recruits to train, the busy schedule started over again. By April 28th, the Corps was ready for Government Inspection. Then began the month of parades; first, Oakwood, then Armed Forces Day, and as a climax the Memorial Day Parade to Hollywood Cemetery. Also in May the Band journeyed to Winchester to participate in the Apple Blossom Festival, paying their expenses from the profits of a Band Concert produced in April. With the end of the spring term came another hard-fought Competitive Drill, with the winners wearing proud smiles.

Cheerleaders

PAT FITZGERALD
Mascot

What makes a good team? Good teamwork, sportsmanship, and hard work are the fundamentals, but the hollering of an enthusiastic crowd can often change the score. This year the Big Red teams at Tee Jay were led by a group of peppy and well-chosen cheerleaders. At the beginning of the year, school spirit was low at Tee Jay, but with the aid of the cheerleaders the spirit began to mount, and a state title began to take shape. The pep rally before the Jayem game brought a huge crowd to Shawen Field to honor our football heroes. We won the State Championship in football after the cheerleaders led their great drive for more school spirit. On the morning before our Central Champs left for the basketball tournament in Norfolk, the cheerers led the upper classmen in a send-off rally in the auditorium. Although we did not win the State title, the cheerleaders were there to the last, cheering and yelling even in the midst of defeat. This was a successful year for athletics, and our cheerleaders accomplished more than any other group in many years.

Dear Jeanie,
It's really been
great ~~to~~ knowing
you all these years.
Remember when we
used to play together.
You're a cute girl and
I wish you all the
luck in the world in
the future. I hope I
see you this summer.
Be good and have fun!

Shincrackers

The spirited girls on the Varsity Shincrackers had an extremely good season, led by the two co-captains, Jane MacPherson and Nancy Moore. Because of the fundamental plays and good stickwork, practiced under the watchful eye of Miss Edith Todd, Tee Jay came out on top with five wins, one tie, and two losses. At the Allied B Tournament held in Petersburg, Jane MacPherson made the first team as center forward, and Patsy Clarke was placed on the Reserve as right fullback. On December 6th and 7th these two girls went to Williamsburg and tried for their positions on the All-State Teams. Patsy Clarke made halfback on this team, and Jane MacPherson

made center on the All-State Reserve. The number of undergraduates participating on this season's team should enable next year's varsity to come out on top in the city and state ratings.

First Since '43

Tee Jay racked up this year its first state title since 1943 and its second in the school's history. Led by full-back Jack Collins and linemen Berkley Pitts and Tommy Lee, All-State selections, the Belt Liners finished up the season with a 9-1 record. The Presidents captured the State, Central District, and City Championships. On the morning of the Newport News opener, Richmond papers gave the Presidents the underdog role in their first encounter of the season; but, to the surprise of many, the Belt Liners outclassed the Typhoon in their own home stadium. A fighting Salem team was defeated there by the Big Red with a comfortable margin. The Jeffs undertook their first home game but, not being up to par, were surprisingly downed by Petersburg by a freak safety. Led by Lee, Pitts, Sydnor, Bortner, and Collins, Tee Jay's defense was outstanding, but their offense was lacking. The outstanding defensive maneuver of the season was the turning point in the game with George Washington when the Tee Jay squad surpassed the Alexandria team. The powerful Red eleven then went to jinxed Hampton stadium and upset the heavily favored Crabbers. A fighting Hermitage pounced upon the Jeffs in the second half of the tilt, but they lacked power to overcome the Belt Liners' first period surge. The Presidents

traveled north again, meeting the Washington-Lee eleven, and they overcame the Arlington team by a safe margin. The Jeffs, seeking their first win over Hopewell in several years, met the defending State Champs in a Central District contest at the City Stadium, but the Blue Devils, not up to recent years' standing, were defeated by the driving Red team. The Belt Liners then played a return match with Hampton here at the City Stadium, and again the Crabbers were downed by the Presidents, seeking the State title. With the State Championship at stake, along with two other titles, the Jeffs met their crosstown rivals, John Marshall, at City Stadium on Turkey Day. For the first half, the Jeffs and Justices battled on even terms, but in the second half the Big Red exploded, and by the sound of the final whistle, the Belt Liners had held the fighting Blue scoreless and racked up the three championships.

SKETCHES OF THE CAPTAINS

TOMMY SYDNOR

Tommy, a former Westhampton boy, has been a letterman in football at the tickle slot for the last three years. He also put the shot on the weight squad on Coach Gonda's track team.

DICKIE SMITH

A three sport man, Dickie came to Tee Jay from Albert Hill. The star quarterback has played football, basketball, and baseball for the Jeffs. He has proved a standout in all of these sports.

Hoopsters Play

The Red and White opened their cage campaign by losing close games to E. C. Glass, before a Lynchburg home crowd, and to George Washington at Alexandria. The Jeffs won their first game by mauling Fairfax, dropping Benedictine, and defeating Petersburg. The Belt Liners defeated St. Christopher's, John Marshall and the Hermitage Panthers in City League games. The Jeffs went to Petersburg and the Crimson Wave snapped their winning streak with a well-earned victory, but they came back in perhaps the most one-sided scholastic game of the season to wallop Fairfax 75-18. Ed Baird collected 48 points in Tee Jay's win over Hopewell and 62 points as his team won over Hermitage. Thomas Jefferson clinched a spot in the State Tournament by turning back Jayem. The Jeffs went on their winning way to round out the season by brushing aside Benedictine, Lynchburg, Hampton, and George Washington. The Red and White beat Granby in the State Tournament Quarter Finals but drew the Champions-to-be for the Semi-finals and lost out in their bid for the crown to E. C. Glass.

In the All-Prep Tournament held at John Marshall, three girls were selected to represent Thomas Jefferson on the All-Tournament teams. Jean Mays, a low senior, made the varsity squad for the second

straight year. Diane Diedrich, a high junior, was promoted from the All-Prep Reserve to the Varsity team. Also Nancy Blunt was selected for the Reserve squad. Other schools participating in the annual competitive tournament were John Marshall, Petersburg, Hopewell, Collegiate, and St. Catherine's. Under the skillful coaching of Miss Mildred Brame and led by the co-captains Jean Mays and Elizabeth Condyles, the President Femmes had one of their most successful seasons with an almost perfect record of seven wins and one tie. In the past three years the Varsity Team has lost only one game, a very close one to Hopewell. Since only three of our varsity players are graduating, the Tee Jay Team is expected to have one of its most formidable teams next season.

"B" TEAM

Led by Co-captains Tommy Lansinger and Jimmy Whitfield, the "B" Team, one of the best offensively in the school's history, won eighteen and lost one game. The baby Jeffs got off to a slow start by losing to George Washington, of Alexandria, in the first of the season, but they defeated that team in the return game at Tee Jay. The Junior Varsity racked up 90 points, the most during the season, against Hermitage, and they had a 63 plus average for the season. The starting five, along with Lansinger and Whitfield, were Bolling Langhorne, Jack Gravins, and Jim Craven.

Stars of Tomorrow

FRESHMAN-SOPHOMORE GIRLS' TEAM

The practically undefeated Fresh-Soph team was led this season by Co-captains Nancy Gilliam, and Barbara Lewis. With their endless teamwork and the strict coaching by Miss Edith Todd they came out on top with eight wins and two losses. We hope that many of these girls will be on the varsity next season.

Trackmen on the Run

After a poor showing in the State Indoor Meet, Coach George Gonda's track squad took on the appearance of a fair team. The Jeffs easily drubbed Hermitage and Hopewell before taking a fifth place in the Tidewater Meet. They then lost to a fine Woodberry Forest team. The Presidents were handicapped by an injury to Veteran Alan Stringer right before the Tidewater Meet. The other big guns for the Jeffs were Dashman Dick Stephenson, Weightman Warren Belcher, and Miler Norman Williams. With Stephenson and Williams returning next year, Coach Gonda is looking forward to a State title.

On Tee Jay's

The outlook for the '53 baseball season was excellent with eight of last year's nine returning. The loss of Chuck Arnold, All-City selectee, during the victory over the Justices was a top misfortune of the year. Outfielders Edgar Shine and Cutler May supplied hitting power with help from infielders Binky Sheppard and Dickie Smith. The pitching also looked good, as the top three pitchers were returning to lead the Presidents through a tough baseball schedule with crack opponents throughout the city and state.

Diamonds, 1953

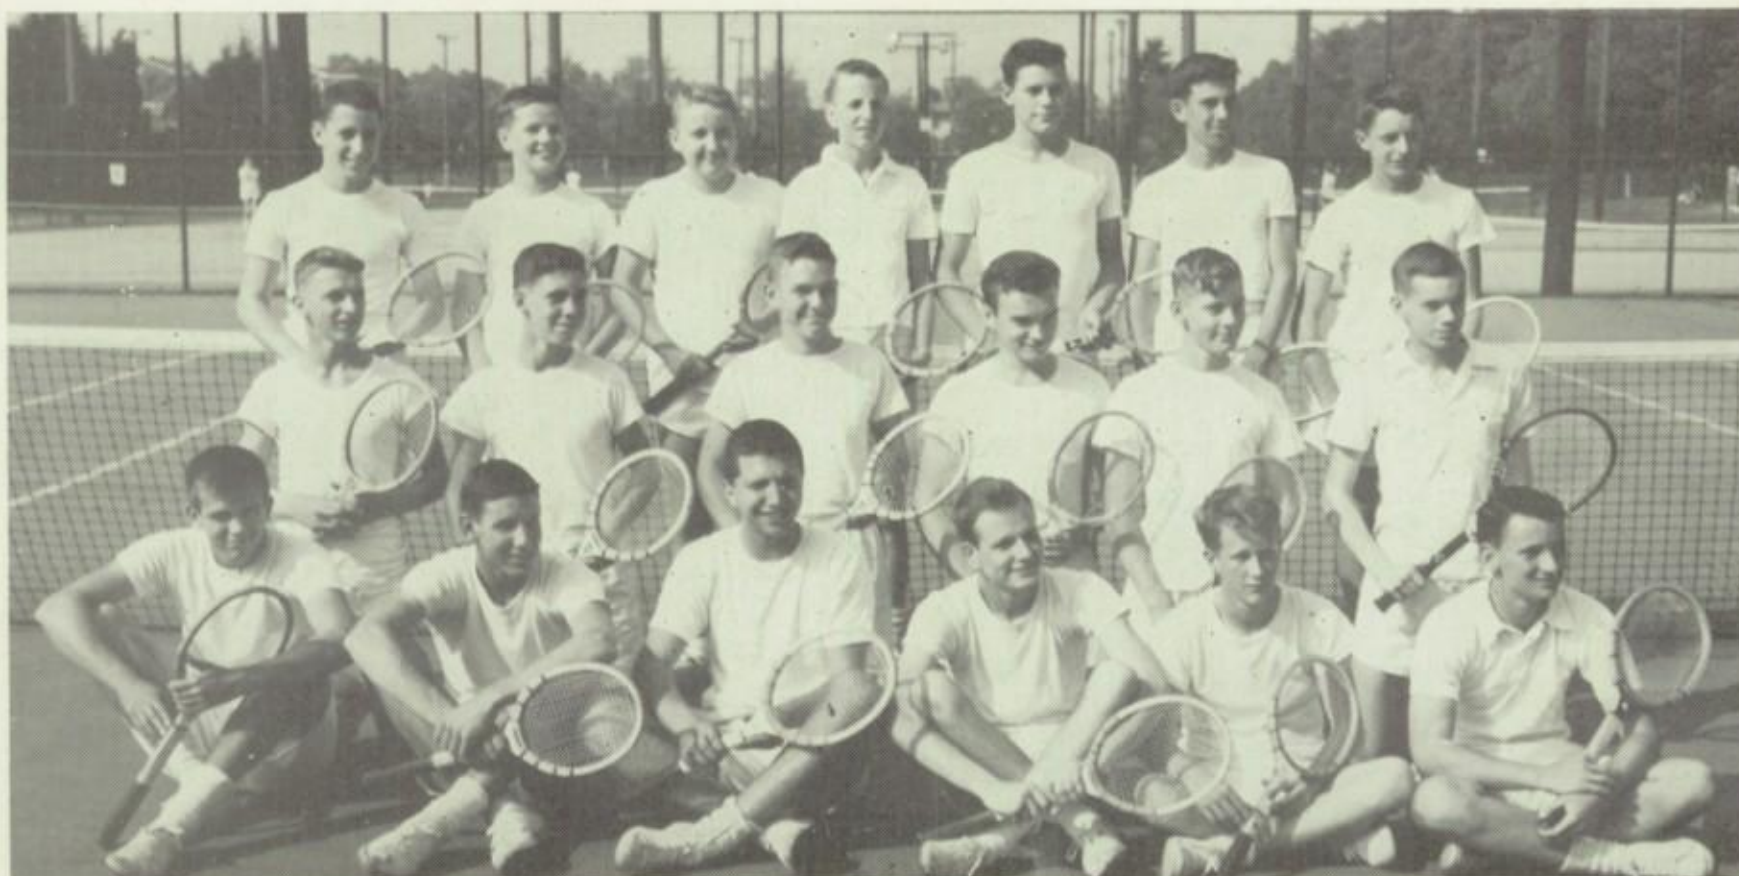

The alert and never-tiring outfielders together with the skillful infield players made quite a name for the 1953 softball team. The girls, led by Jean Mays and Jane Saunders, opened the season with a big bang on April 1st. The enthusiastic petite Lady sluggers are coached by Miss Mildred Brame. Since there were only two of the '53 graduates playing this year, the Tee Jay team is expected to be better than ever next season.

BOYS' TENNIS—The Tee Jay boys' tennis was powerful again as Bobby Bortner and Eddie Phillips led them to another marvelous season, although they lost their first match at Woodberry Forest after nineteen straight victories this season. The Tee Jay Netters also met and defeated such out-of-state opponents as Baltimore City College.

GIRLS' TENNIS—This year, because of the limited number of courts at Byrd Park, there were only about thirty-nine participants in girls' tennis. Nancy Moore and Carolyn Carter served as the two co-captains while Miss Edith Todd coached the girl netters. The girls challenge each other to gain the top step on the ladder. The outcome will determine the players in the matches.

PLANNING FOR FUTURE SECURITY

Throughout the nation this June, thousands of young men and women are graduating from high schools. Many of them look towards college educations and career opportunities which could not have been theirs except for life insurance purchased for them years ago by a loving parent or relative.

Life insurance guarantees many other personal and family ambitions, too, and its ownership will bring you the same satisfaction and security it now provides millions in all walks of life.

interesting work

...and you can get it!

Telephone work is interesting — and you don't need experience to get a good job after graduation!

That's one reason why so many girls head for the telephone company when they finish school. They know they'll earn good money from the start, even while they're trained, and get raises regularly.

Your high school counselor can tell you more about the many different telephone jobs — or come in and see us when you finish school!

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

Best of luck this year (this summer). Be good. See next year. Remember Cassell Farley

We wish to express our appreciation to the many people who have helped us in the preparation and publishing of the 1953 Monticello.

To our staff advisers, Miss Rowe and Miss Gray, and our art adviser, Mr. Bevilaqua, for helping us with everything from page plans to ads and pen sketches. . . .

To Mr. Stirling King and Whittet and Shepperson, our publishers, for being so patient, helpful, and understanding. . . .

To Dementi Studio, Gerald Lisman, Richmond Newspapers, Inc., the Jeffersonian, and our own staff photographers, for recording our school life in pictures so completely and so well. . . .

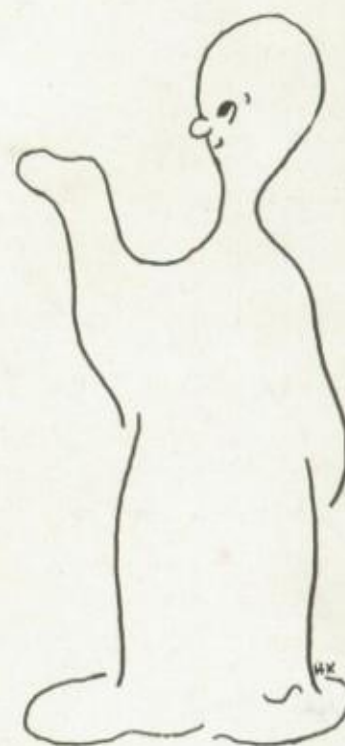

To our advertisers, for helping in such an important way to produce the 1953 Monticello. . . .

To the members of the Jeffersonian Staff, for permitting us to use Li'l Jeff, their pride and joy. . . .

To the students of Tee Jay, for being the subject and inspiration of the Monticello. . . .

To each and every one, the entire Monticello Staff says,
